Speakers

CHIARA APPENDINO

Mayor of Torino since June 2016, she has served as a Member of the City Council and as Vice Chairman of the Budget Committee of the City of Torino during the last 5 years. Graduated in International Management and Economics, she also holds a Master in Management Audit and Planning, both earned at the University "Luigi Bocconi" in Milano. Born in 1984, she has been working for six years in her family's firm as Financial Manager and previously she has been Controller in Juventus Football Club S.p.A.

GIANMARIA AJANI

Rector of the University of Torino since October 2013. Professor of Law at the University of Torino, he holds the chairs of Comparative Legal Systems, International Law & Contracts and Chinese Law. He served as Director of the Department of Law from 1998 to 2004, Dean of the Faculty of Law from 2009 to 2013, Member of the Academic Senate, and Director of the Law Department from 2012 to 2013. He worked as a Visiting Scholar in Moscow and Leiden and as a Visiting Professor in Berkeley, Fribourg, Zhongnan and Georgetown. He served as a legal expert for the Sacharov Foundation Initiative to advise the USSR Government on legal reforms, as a consultant to the IMF - International Monetary Fund - and the Council of Europe on the project of recodification of civil law in Albania. He was member of the OSCE - Organization for Security and Co-operation in Europe to facilitate dialogue between the Ukrainian Central Government and the Crimean Authorities, as a participant in a EC/TACIS project and as an expert for a UNDP project on the training of National Assembly officials in Hanoi, Vietnam.

VINCENZO ILOTTE

President of the Chamber of Commerce of Torino. Since 1992, he has joined the family group, 2A SPA, which operates in the field of production of zippers and die-casting aluminium and zamac alloys. He has been a member of the Torino Chamber of Commerce Council since 2009 and, still in the Chamber system, he is Vice President of the Regional Association of Chambers of Commerce, Vice President of Italy Unioncamere, member of the Governing Council and of the Presidency Committee of ICC Italy (International Chamber of Commerce), member of the Assocamerestero General Council (Association of Italian Chamber Abroad) and member of the World Chambers Federation Council Board. He is also a member of the Unione Industriale of Torino General Council, of which he was Vice President from 2008 to 2016. He held in time numerous significant positions within others associations: from 1999 to 2001 he was President of the Young Entrepreneurs Group of Unione Industriale of Torino; from 2000 he was Vice President of AMMA (Aziende Meccaniche Meccatroniche Associate), of which he became President in September 2008. Since June 2015 he has been President of the Unicredit North West Territory Council. In the past he was member of the Board of Directors of several companies, including Sagat, Italconsult, CMSP, Agenzia Torino srl. In the financial sector he founded Strategia Italia SGR, Ventura Finance spa and YUCO srl.

ALBERTO BRUGNOLI

Founding and Managing Partner of the Associazione per lo Sviluppo di Strumenti Alternativi e di Innovazione Finanziaria (ASSAIF) the oldest Islamic finance consultancy in Europe that provides worldwide strategic institutional advisory and product development to governments, central banks, multilateral development banks, public and semi-public institutions, regional and local authorities. Former director of the Italian desk with Merrill Lynch Bank, he is a consultant for the World Bank on micro-takaful, chaired the Advisory Council of the World Congress of Muslim Philanthropists, and chairs the International Takaful Summit in London since its 2007 inception. He regularly speaks at the major Islamic finance forums worldwide and gives

presentations in Arabic, English, French and Italian. He manages NuoviStilidiVita, a consultancy on sustainability, financial and social inclusion, complementary currencies, and added territorial value. He is the Founder and President of Dulcarnon, a publishing house that aims to make accessible to the Western public important texts on Islamic tradition.

PAOLO PIETRO BIANCONE

Full Professor of Financial Management and Islamic Finance at the University of Torino. He acts as the director of the European Research Centre for Islamic Finance and Coordinator of the PhD in Business Management at the University of Torino. He has been teaching at the University of Lanzhou (China) and at the National Chengchi University in Taipei (Taiwan) for several years. He is a speaker at national and international conferences and also the author of numerous publications in the field of Accounting and Islamic Finance. He is the Editor in Chief for the European Journal of Islamic Finance as well as the Scientific Journal of Management Science.

SHAIKHA MAI BINT MOHAMMED AL KHALIFA

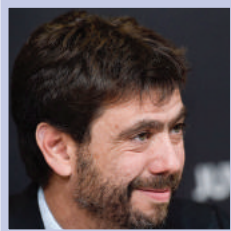

President of the Bahrain Authority for Culture and Antiquities. She previously served as Minister of Culture from 2010 to 2014, Minister of Culture and Information from 2008 to 2010 and Assistant Undersecretary for Culture and National Heritage at the Ministry of Information. MA in Political History from Sheffield University, UK, she was listed as one of the 50 most influential women in the Arab world by Forbes Magazine in 2005. She received the legion d'honneur insignia in Arts and Literature from the Government of France in 2008 and the "Distinguished Arab Woman in the field of Administrative Leadership" prize from the Center of Woman Studies, Paris, in 2004, being among the 10 Arab women awarded the Arab League prize for Administrative Competence and Excellence. She also received the "Order of Merit" first class medal from His Majesty, the King of the Kingdom of Bahrain in 2008. In 2010 she was awarded the Noble Honor for being a distinguished international personality in the field of Ideology and Culture by a

royal decree from His Majesty Muhammad Al Sadis, King of Morocco, and she was acknowledged by the Committee Colbert the Prize for Creativity and Heritage in Paris for playing a leading role in the fields of historical documentation, heritage preservation and cultural innovation. She was named Gulf Media Personality for 2010 by both the Gulf Society for the Press and Freedom of Information and the Arab Society for the Press and Freedom of Information (Araps) in recognition of her efforts to promote the region's media sector and defend freedom of speech and expression. In 2010 she received the Social Creativity Award from the Arab Thought Foundation of Beirut, Lebanon, and the knight of the legion of honour from the French government in 2011.

ABDULLA MOHAMMED AL AWAR

CEO of Dubai Islamic Economy Development Centre (DIEDC). In this capacity, he oversees the Centre's work and collaborates closely with DIEDC's multiple stakeholders to implement the 'Dubai: Capital of Islamic Economy' strategy through enabling private and public sector organisations to innovate and promote sharia-compliant economic products and services. Prior to his current role, he was the CEO of Dubai International Financial Centre (DIFC) from 2009 to 2012. During his eight-year tenure he leveraged his exceptional skills in strategic planning, operational management and financial control to help develop DIFC into a global financial hub. Under his strategic leadership, DIFC was ranked as the leading financial centre in the region for the years 2009-2012, demonstrating an average 13% client growth year-on-year. He has served as member of several committees and boards in Dubai including the Economic Committee of the Executive Council of Dubai, Dubai Free Zones Council, Bourse Dubai and the Investment Committee of the Emirates NBD Real Estate Fund. He holds a Bachelor of Science degree in Business Administration from the University of Colorado at Boulder, US. He is also a graduate of the Mohammed Bin Rashid Program for Leadership Development, an executive education program conducted in affiliation with Cranfield University, UK, IMD and INSEAD.

ANDREA AGNELLI

Chairman Juventus Football Club S.p.A. and of Lamse S.p.A.. Born in Torino in 1975, he studied at Oxford (St Clare's International College) and Milan (Università Commerciale Luigi Bocconi). While at university, he gained professional experience both in Italy and abroad, including positions at Iveco-Ford in London, Piaggio in Milan, Auchan Hypermarché in Lille, Schroder Salomon Smith Barney in London and, finally, Juventus Football Club S.p.A. in Turin. He began his professional career in 1999 at Ferrari Idea di Lugano, where he was responsible for promoting and developing the Ferrari brand in non-automotive areas. In November 2000, he moved to Paris and assumed responsibility for marketing at Uni Invest SA, a Banque San Paolo company specialising in managed investment products. From 2001 to 2004, he worked at Philip Morris International in Lausanne, where he initially had responsibility for marketing and sponsorships and corporate communication. In 2005, he returned to Torino to work in strategic development for IFIL Investments S.p.A. (now EXOR S.p.A.). He joined the board of directors of IFI S.p.A. (now EXOR S.p.A.) on May 2006. He is a general partner of Giovanni Agnelli e C. S.a.p.a., a member of the board of directors of FIAT S.p.A. (now Fiat Chrysler Automobiles N.V.) and a member of the advisory board of BlueGem Capital Partners LLP. He has been a member of the European Club Association Executive Board since 2012. Since July 2014 he has served as a board member of the Serie A National League of Professionals and also became a board member of The Foundation for General Mutuality in Professional Team Sports. In 2015 he was appointed to the UEFA Executive Committee as an ECA representative.

ZAKARIA ABOUABID

Lawyer Associate at Latham & Watkins in the Milan office. His practice focuses primarily on corporate, private equity, debt restructuring and Islamic Finance. He assists Italian and international clients in connection with Italian and cross-border investments, mergers and acquisitions, debt restructurings and Islamic Finance. Prior to joining Latham & Watkins in 2015, he was an associate at Jones Day in Milan.

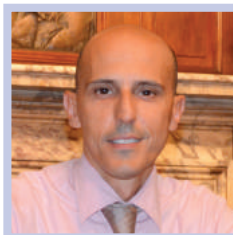

SILVIO AIME

Professor of Chemistry at the Department of Molecular Biotechnologies and Health Sciences and Head of the Center of Excellence on Molecular Imaging of the University of Torino. He is vice-rector for research and technology transfer and President of the Incubator (2I3T) of the University of Torino.

SAEED MUBARAK KHARBASH AL MARRI

Head of Strategy & Planning at Dubai Islamic Economy Development Centre (DIEDC). He holds more than 10 years of experience in diverse financial disciplines and strategy gained from working with institutions such as Istithmar World, ENEC & TAQA (Abu Dhabi National Energy Company) as a Finance Manager in the Strategic Planning Department, Economic Specialist in ENEC (Emirates Nuclear Energy Corporation), Associate in Istithmar World, the Investment Arm of Dubai World Group - and focused on Investments in Financial Services. He holds an MBA in Islamic Finance with Distinction from Cass Business School in England, as well as a Master's in International Business from Hertfordshire University in England and a Bachelor degree in Communication Engineering from Khalifa University in the UAE.

FABRIZIO BADARIOTTI

Founding partner and director of Patrimon srl, an Italian company active in offering services to professional investors worldwide. Among its activities, the selection and support to the development of innovative Italian start-ups, in particular in the renewable energy sector. He has over 20 years' experience in Fintech sector, acquired in software and asset management companies. He develops quantitative models to be applied in the financial markets with the goal to combine the best performance expectations with risk. In 2016 he realized a project with the University of Torino, for the construction of a dynamic model of investment in shares, able to contain volatility and Shariah-compliant. This project will be presented during the TIEF 2017.

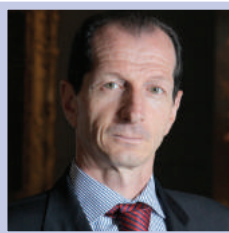

MOHAMMAD BARAKAT

Founder of Consilium Advisory LLC, a Management, Education/Professional Development, and SME Development firm that helps cross-regional clients from its hub offices in New York, London, and Kuwait City, as well as a network of 8 other international affiliate offices. He also chairs the advisory board of Gulf Enterprises Co., a nanotechnology industrial products company, and guest-lectures at the Australian College of Kuwait. Education, sociopolitical, and economic research projects are among his pursuits. The US Department of State, UN Peacekeeping Corps, Optimiza and Jordan Telecom Group (Orange) are among his past employers. He also held an advisory capacity to the Chairman of the Board of Al-Imtiaz Islamic Investment as well as several members of the ruling family in Kuwait. He holds advanced degrees in International Business Management (Nixon University), Leadership & Organizational Development (Madison Hills University) and Managerial Science (University of Atlanta).

DIEGO BIASI

CEO and Co-Founder of Quercus Investment Partners Limited. He has worked in investment banking and finance for more than 20 years, with a focus on the renewable energy sector, working also for IMI Bank and Commerzbank. In 2010 he successfully co-founded Quercus, building a portfolio of 40 utility scale plants and structuring debt facilities for over EUR 500m. He brought Quercus into ForVEI, a joint venture with Foresight, Adenium, VEI CAPITAL and CDC, which created a substantial portfolio of PV plants in Italy of some 90 MW. He also successfully negotiated for Quercus to participate in a joint venture with government owned UKGIB for the construction of London based TEG Biogas plant, the first commercial-scale anaerobic digestion and composting facility in the capital. He recently conducted the acquisition of Antin's PV platform in Italy, with a JV between Quercus and Swiss Life Asset Managers.

MARCO BISCIONE

Director of the Museum of Oriental Art of Torino. Trained as an anthropologist (University of Rome, London School of Economics) after almost 20 years as curator at the Museo Nazionale Preistorico Etnografico in Rome he moved to Brussels as national expert in Culture at the European Commission (DG Education and Culture) and later on to Strasbourg at the Council of Europe (Direction for Culture and Cultural Heritage). Back in Italy, he was for over four years Director of the Civic Museums of Udine.

ROMANO BORCHIELLINI

Graduated in Mechanical Engineering in 1983 at the Politecnico of Torino, since February 2001 he has been Full Professor at the Department of Energy. Among his publications more than 150 papers published in journals and international and national conferences. Most of these refer to the analysis and modelling of thermal systems. Since 2009 he has been one of the two Italian delegates appointed by the Ministry of Infrastructures and Transportations (MIT) in the Technical Committee "Road Tunnel Operation" of PIARC. In November 2016 he was appointed as a member of the Supreme Council responsible for overseeing public works by the MIT (2016-2019). Since July 2014 he has been the President of SiTI (Higher Institute on Territorial Systems for Innovation), a non-profit association set up in 2002 between the Politecnico of Torino and the Compagnia di San Paolo (CSP). Since December 2014, he has been chairing the Advisory Board of the Energy Center in Torino, a joint initiative of Piedmont Region, City of Torino, Politecnico and CSP.

REUBEN BUTTIGIEG

Managing Director and founder of Erremme Business Advisors, a business and management consultancy firm. He is also directly involved in the Corporate Finance and Consultancy Services of Erremme. In addition he has been the pioneer in the discussions on Islamic Finance in Malta and has prepared various papers and articles on the subject.

He is a regular speaker in International Islamic Finance conferences and he acts as consultant on various Islamic Finance transactions in Malta and abroad. He is the first Islamic Finance Advisor in Malta. Amongst others he has advised on the required legislative changes for the launch of Sukuk in Malta. He was a catalyst in the launch of the Sharia Index at the Malta Stock Exchange. He is the author of various articles in Maltese and foreign newspapers. Amongst others he is the local representative of Islamic Finance News.

MARIO CALDERINI

Ph.D. in Economics from the University of Manchester, he is full Professor at Politecnico di Milano, School of Management, where he teaches Strategy and Social Innovation and chairs the Alta Scuola Politecnica, the honour program jointly managed by Politecnico di Milano and Torino. He is Senior

Advisor to the Minister of University Research and Innovation and Government's Sherpa for the G7 Italian Presidency 2017. His numerous publications in highly ranked international journals cover several topics in the field of innovation and social impact finance. He is the Director of Tiresia, the research centre on Social Innovation and Finance at Politecnico di Milano. He was a member of the G8 Task Force for Social Impact Investment, he chaired the Italian Advisory Board on Social Impact Finance and contributed to promote the social innovation agenda in Italy, launching the sector's first public consultation.

ALBERTO CANCLINI

Senior partner at Costanzo & Associati, consulting firm based in Milan. Certified Public Accountant, Auditor and Financial Analyst (ordinary member of AIAF - Italian Association of Financial Analysts), he is an expert in corporate finance, financial modeling, debt restructuring, international accounting principles, valuation and start-ups. He gained experience on financial modeling, using both vertical software and developing ownership models, tailored to meet customer needs. He often assists companies in preparing economic and financial plans in development or restructuring projects. He deals with valuations in conformity with IAS/IFRS, in particular the definition of the value of intangibles, impairment tests and fair value assessments in the absence of an active market. He is Sole Director of HFL (Halal Fashion & Lifestyle), an Italian start-up focused on Modest fashion and Islamic finance.

MARIO CASERTA

Supervisor of the Public Relations Offices in the Regina Margherita, Sant'Anna and CTO hospitals in Torino, he works with the HPH national network for health promotion and in the food and pharmaceutical research sector on the multicultural theme. Since 2005 he has been working at quality and social research, publishing several papers in national and international journals on customer satisfaction. Expert in multicultural and multi-religious topics, in 2006 he developed, together with Doctor Cerri, the religious care project "La cura dello Spirito (Care of the Spirit)", initially for the Molinette Hospital in Torino and then for the Piedmont Region. In 2008 he opened the first Silence Room in a public hospital in Italy. In 2012 he drafted, together with Doctor Azzolina, a Hospital Mortuary Regulation according to the different religions. He holds a degree in Public Administration.

VALENTINO CATTELAN

Ph.D., 2009 Associate Researcher at the Saudi-Spanish Center for Islamic Economics and Finance, IE Business School, Madrid. Prior to this, he was Academic Coordinator of the project Integrating Islamic Finance in the EU Market (2010-2013, University of Rome Tor Vergata), and Visiting Fellow at the Oxford Centre for Islamic Studies (University of Oxford, 2013-2014). His research covers aspects of comparative law, economics, Islamic commercial law, property rights, Islamic finance regulation. Next to many articles and chapter contributions, he is the editor of the volumes "Islamic Finance in Europe: Towards a Plural Financial System" (Edward Elgar, 2013), and "Islamic Social Finance: Entrepreneurship, Cooperation and the Sharing Economy" (Routledge, forthcoming).

FABRIZIO CONICELLA

General Manager of Bioindustry Park, he has more than 20 years of experience managing organizations, R&D and technology transfer projects. Since 2011, he has been contract professor both at the University of Torino and at the Università Piemonte Orientale in business planning, innovation management and technology transfer. Former President of Ephoran-MIS, a company specialized in imaging services, and former member of the managing board of the Council of European Bioregions, he is now member of the managing board of APSTI – Italia Association of Science Parks, member of the "Science-Industry" committee of Genopole (F) and Executive Vice President of bioPmed Cluster Association. In the last years he has been member of the Managing Board of Associazione Italia start-up and of Assobiotec and member of the Eurotransbio Advisory Board. He has also been appointed as member of different boards, working groups, evaluator of initiatives, projects and business plans by private and public national and international organizations.

PAOLO COSTANZO

Senior Partner of Costanzo & Associati. Certified Public Accountant and Auditor, he is a member of the Committee for the Governance of Publicly Listed Companies at the Association of Certified Accountants in Milan and is a member of the NedCommunity, the association of non-executive and independent directors. He teaches various training courses and participates in seminars. He is also an expert of extraordinary finance transactions, listing processes and governance systems. He is the author of several publications on corporate disclosure, corporate governance, company law and income taxation; he often collaborates with national newspapers and participated in drafting the parliamentary bill to grant Government authorisation to reform the national tax system. He has gained a strong experience on structuring the business model of e-commerce companies.

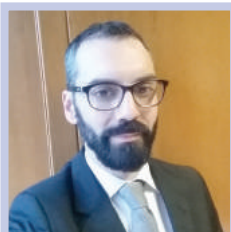

GIOVANNI CURRADO

President and sole director since September 2016 of Infratrasporti.To Srl, the transport infrastructure company owned by the Torino City Council. After obtaining a degree in Architecture from the Politecnico of Torino, in 2002 he gained qualification to the profession, and he is registered in the professional association of architects in the province of Asti. As a consultant to several local authorities and private companies, he has been involved in carrying out feasibility studies for both large scale freight and passenger transport systems, traffic and mobility studies and road safety plans, often securing EU funding. He regularly participates as a speaker at conferences on issues regarding transport planning and infrastructure. Since May 2014 he has been selected as a technical-engineering expert for Italy's Transport Regulation Authority. He is also engaged in architectural restoration projects overseeing the sensitive redevelopment of historically significant real estate property portfolios.

CARLO DE VITO

Chief Executive Officer of FS Sistemi Urbani (FSSU), wholly owned by Italian FS. FSSU has the task of adding value to the assets of the FS Group that are not functional to railway operations. FSSU is the owner of Metropark, a company specialized in buildings and managing of parking near the railway stations. He has been in FS Group since 1977 where he has covered various roles: planning and direction work of complex railway works, direction of the armament of track and guide of industrial systems. From 2000 to 2008 he was the chief of the passenger and freight terminals of RFI, society of FS Group that manages the railway infrastructure. He has been Chairman of QVQC, an interdisciplinary group of studies formed by many organizations and national associations, professional Orders and Universities since 2008. Since 2016 he has been Chairman of Grandi Stazioni Immobiliare. He is a civil engineer specialized in transportation and he has published many articles for important specialized magazines.

GIOVANNI DELLE DONNE

Responsible for Promotion and Internationalization at Federalimentare, the Federation of Industry Food associated with Confindustria. He has a 10-year experience in the fields of Food Promotion and Trade Policy, in order to facilitate the export of Italian food companies. Besides a long experience in organizing events and collective participations in foreign food exhibitions, he is the referent of Federalimentare for CIBUS, the main Italian food show taking place every two years. During EXPO Milan 2015, together with Fiere di Parma, he was in charge of the organization of the corporate pavilion CIBUSèITALIA – which hosted more than 420 companies – and managed the foreign buyer incoming program. He has been involved for several years in the project of the Ministry of Economic Development aimed to promote Organic, Kosher and Halal. Since 2015 he has been deputy member for Federalimentare at the National Council for Cooperation and Development set up within the Ministry of Foreign Affairs and International Cooperation.

SIMONE FILIPPETTI

ALBERTO GASTALDO

Co-founder and board chairman of the innovative cooperative startup Energia Positiva, a company working since 2015 in the Energy Sharing Italian market. Born in Torino, 26 years old and graduated in Industrial Production and Technologic Innovation engineering at the Politecnico of Torino, he started his professional career in the HR and communications field.

After some foreign experiences, he decided to come back to Italy to work in the field that moves him the most: renewable energies. The Energia Positiva cooperative's mission is clear: developing and spreading on national territory an innovative, shareholding/participation based and democratic model, which gives to every single person the chance to become producer of his own 100% renewable energy and to reduce his energy bills just sharing the renewable power plants' ownership and production. In this way, consumers can easily become "Energy Citizens" or "Prosumers", that means they can consume goods they directly produce (in this case clean energy).

CLAUDIO GASTALDO

Business Development Manager of the innovative cooperative startup Energia Positiva. Big "supporter" of cooperation field, he is one of the main creator of Energia Positiva business model, innovative Italian reality working in energy sharing sector, ready to change many existing economic paradigms.

His task is to put his economic-financial experience at the cooperative's young management service, in the market analysis and in the planning and implementation of the offered products and, nonetheless, in the definition of a new national operative structure. Graduated in Economics and Business, entrepreneur for 25 years on funded education field at service of development of companies and people who work in them, he's still willing to take on a challenge in a new business adventure about alternative energies, to show that a renewable, accessible and beneficial future can exist for everyone.
